STAGE 2

A new chapter in a likeminded *community*

Embrace the opportunity to live life larger, with a seaside adventure calling for you at Bloom's Boronia Release. Homesites range from 817-945m² — which includes a dedicated nature reserve and walkway access to Madsen Road.

Feel proud every time you return home and be greeted with treelined streets, lush landscaping and large feature trees. The big backyards offer space for family and endless opportunities such as a pool, trampoline, veggie plot, boat, caravan or super shed.

Whether you're looking to build your first home, upgrade to your dream home or downsize without compromise, you can write your own story, design your new home and begin a new chapter created just for you.

Artists' impressions, plans and drawings are for illustrative purposes only. Drawings are not necessarily to scale and are provided as a guide only.
